

## Illawarra Regional Airport Operations Working Party Call for Nominations for Community Representatives

Shellharbour City Council is calling for nominations for two community representatives for its Airport Operations Working Party. The Working Party assists airport management by participating in discussions and providing relevant information on various matters relating to the operation of the airport. In addition to the community representatives, the Working Party consists of Council staff and delegates from the businesses operating within the airport precinct.

It is important that the community representatives do not have any conflict of interest relating to the airport to ensure that they can represent the community in a fair and impartial manner. Potential conflicts of interest include having an association with an aviation business, organisation operating at the airport or active airport lobbyist. The appointed representatives will also be required to act within Council's Code of Conduct.

Interested residents may obtain a nomination form by contacting Council on 4221 6116 or on the Shellharbour Council website [www.illawarraregionalairport.com.au](http://www.illawarraregionalairport.com.au) under Related Files.

Nominations will be received until 4.30pm on 31 October 2018.
